Band School/Lab Supplies

Lab fee: $75.00 per each instrument (If the student uses a school-owned instrument for school and a different school-owned instrument for home, each instrument will have a lab fee due.)  **This fee is requested for students that will be renting school-owned instruments only and is due at the beginning of the school year.** This lab fee does not apply to students that rent or own their own instrument. The purpose is to maintain the quality playing condition of the instrument. Students are responsible for any damage or loss of the school-owned instrument. Students should maintain the instrument as instructed (i.e. lubrication of valves and slides). Failure to maintain the instrument properly could result in additional maintenance repair fees. *Students that rent or purchase an instrument from a store should be cautious to rent/purchase a good quality instrument that is capable of being repaired with a quick turnaround.

Lab fee: $20.00 mouthpiece rental-if needed (Baritones, Tubas, French Horns only)
Lab fee: $20.00- This fee is requested for all percussion students that will be playing on school-owned percussion instruments only. The purpose is to maintain the quality playing condition of the instruments and to replace mallets worn out by excessive use. Students are responsible for any damage or loss of the school-owned instrument.

School Supply List:

- Paper/Pencil
- **Music book for Varsity and Symphonic Band Students – Standard of Excellence, Book 2 by Bruce Pearson**
- **Music Book for Beginning Band Students – Standard of Excellence, Book 1 by Bruce Pearson**
- Students must show proof of book ownership and instrument by the 3rd week of band to prevent a schedule change.

Depending on the instrument selected, students will need to purchase reeds, reed protectors, rotary or valve oil, cork grease, polishing cloth, cleaning cloth, snake for brass instruments, mouthpiece brush, and Rovner ligature for clarinet and alto, tenor, and baritone saxophone players.

A music book will also be provided for Beginning Band Students to use in class. Students will be responsible for any damage or loss of this band textbook.

***Advanced band students and any student participating in the Madrigal Dinner Event will need to have a madrigal costume. They may either purchase one on their own with prior director approval or pay a $15.00 fee to have a costume provided for them as a rental. This performance is every other year.

All bands have a band uniform. This consists of black dress pants (not jeans), black belt, black socks, black dress shoes (preferably closed toe dress shoes—not tennis shoes, sandals or flip flops), and a band shirt. The band student and parent/guardian should purchase everything except the band shirt on their own. The band shirt may be purchased from the band director for approximately $25.

Please see (attached) A Director’s Approved Instrument Guide and Materials Checklist. These are items and materials that a band student will need to clean, maintain, and practice his instrument. Also attached is an IMPORTANT MEMO for parents to read.

- **Books can be purchased through most music stores.**
- **Locks are provided for no charge. There will be a $5.00 charge if you lose the band lock.**

**WBMS Band Members**

Students will have the opportunity during the school year to purchase a “fun” shirt/clothing item (such as a shirt and/or sweatshirt) in support of the band and school spirit. This is by no means a mandatory purchase. It is optional. **The purchase for the shirt is approximately $16. Band Hoodies may also be available for approximately $35.00.**

MEMO: Important Information to all Parents
RE: All Beginning and Advanced Band Members
FROM: Stacy Rohde, Band Director at WBMS

Several local music stores and area school band directors are now experiencing the negative results created by the marketing of band instruments that are of poor quality but attractive to consumers because of their rather low price. These instruments are predominantly manufactured in China, India, Indonesia and other third world countries. These instruments are showing up on the Internet auction sites, wholesale clubs, and discount department stores.

The problem is twofold, first, repair facilities have no parts and cannot even begin to find the manufacturer to obtain parts; and second, the materials and craftsmanship do not respond to adjustments for any length of time. Considering these facts, many music stores are adopting the policy that they WILL NOT SELL, TRADE, or REPAIR SUCH INSTRUMENTS. Please consider the consequences of purchasing poorly made, low-priced instruments.

The following are some of the brands to caution parents about:

| First Act | Simba | Windsor |
| Cadet | Accent | Parrot |
| Rhythm | Stuebin | Pathfinder |
| Image | Iolite | Steubar |
| Winston | Heimer | Skylark |
| Rhyme | Bestler | Bandfolio |
| Wexler | Lark | Maestro |
| Concert Works | Belcrest |  |
| Tempo | Dixon |  |
| Concer Mark II | LaFayette |  |
| Artist | Burlington |  |
| Belmont | Palentino |  |

This is a difficult situation because quality may not be apparent, and it seems most expedient to notify parents of this situation. Such situations usually lead to frustration and are not conducive to success in band. Area music stores and school band directors alike, welcome any opportunity to work together to avoid such failures that will protect the integrity of instrumental music programs in Northwest Florida.

Flash drives remain in the classroom throughout the year and do not go home daily nor are they used for any other class. This practice keeps drives safely stored, insures students always have their work, and prevents any virus being uploaded to the network lab.
