

Santa Rosa District Schools
Additional Precautions for Coronavirus (COVID-19)

Update as of 06/10/2020

Updates are in Yellow

If you have a question not covered below or in the [Frequently Asked Question \(FAQ\)](#) section on our web page, please contact your school or email doc@santarosa.k12.fl.us

The Commissioner of Education has waived 5 days of instructional time due to the order for extended Spring Break. Therefore, we will not need to make any adjustments to our school calendar for 2019-20. Seniors will finish May 22 and all other students will finish May 29.

REPORT CARDS

To see the report card, please access the Student/Parent Portal in ClassLink.

GRADUATION

Congratulations, Class of 2020! New Santa Rosa Graduation Info is available here:
<https://www.santarosa.k12.fl.us/graduation/> (SB Approved 06/04/20)

Check out the Influenza/Coronavirus Illnesses Prevention Guidelines provided on the district website and information from the health department and the CDC regarding hand washing and proper precautions to reduce the risk of viral spreading. <https://www.santarosa.k12.fl.us/>

DISTRICT STATUS OF PREVENTION/CLEANING MEASURES:

- Custodial staff are disinfecting all desks, countertops, and doorknobs each night

LOCATIONS FOR INFORMATION AND COMMUNICATION:

Please visit the Department's dedicated COVID-19 webpage for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling 1-(866) 779-6121. The Call Center is available 24 hours a day. Inquiries may also be emailed to COVID-19@flhealth.gov

The Florida Department of Health in Santa Rosa County (DOH-Santa Rosa) has established a dedicated call line to respond to residents' questions and concerns about COVID-19 in Santa Rosa County. Residents may call 850-564-2307 to have their questions answered 24 hours a day.

DEFINITIONS

Self-Isolation: means self-driven separation of a person or group of people known or reasonably believed to be *infected with a communicable disease and potentially infectious* from those who are not infected to prevent spread of the communicable disease. Persons that are self-isolating should practice remain at home and practice social distancing.

Self-monitoring: means people should monitor themselves for fever by taking their temperatures twice a day and remain alert for cough or difficulty breathing. If they feel feverish or develop measured fever, cough, or difficulty breathing during the self-monitoring period, they should self-isolate, limit contact with others, and seek advice by telephone from a healthcare provider or their local health department to determine whether medical evaluation is needed.

Self-observation: means people should remain alert for subjective fever, cough, or difficulty breathing. If they feel feverish or develop cough or difficulty breathing during the self-observation period, they should take their temperature, self-isolate, limit contact with others, and seek advice by telephone from a healthcare provider or their local health department to determine whether medical evaluation is needed.

Social distancing means remaining out of congregate settings, avoiding mass gatherings, and maintaining distance (approximately 6 feet or 2 meters) from others when possible.

Congregate settings are crowded public places where close contact with others may occur, such as shopping centers, movie theaters, stadiums.

1. Employees should pay attention to advisories by the Florida Department of Health before, during and after travel.
 2. Please be advised the restrictions on employees are contingent on the advisories of the CDC and Florida Department of Health and could change daily. Please be advised a “may” today could be a “shall” tomorrow.
